**Mr. Gerald Adelman**  
**145 Abbot Court**  
**Piscataway, NJ 08854**

BIOGRAPHY: I have been a resident / owner in Society Hill at Piscataway for the past 11 years. I am also a small business owner in Piscataway and have been in business locally for 34 years. I also volunteer my time by serving on the Neighborhood Watch Committee to help insure the safety of the community

REASON FOR SEEKING ELECTION: I have been on the Board for the past nine years, missing only one Board meeting this year. Currently, I hold the position of Board Vice President and have held this office for 6 of the 7 years serving on the Board. I have acted prudently on financial matters of the Association while keeping the levels of the community at the highest standards. By serving on the Board, I would like to see that the high standards, which the community has been maintained in the past and present, continue in the future.

BIOGRAPHY: Born and raised in Piscataway, attended Piscataway schools and am a Rutgers graduate. Spent four (4) years as a successful retail manager. Presently work for a healthcare company as a personal financial analyst, specializing in meeting the needs of families such as those in our community.

REASON FOR SEEKING ELECTION: I understand the needs and desires of the residents of our community as well as their concerns, and believe that my professional skills in the area of finance as well as my interpersonal skills will be an asset to our leadership.
