

NOTE:
Typical Foundation Footprint for Townhouse Style Condominium. Outline Building Envelope for Townhouse Style Condominiums Depicted Hereon Represent Exterior Limits of Building. Actual Unit Mix and Foundation Design to be Determined on Final Condominium Maps to be Prepared on a Section-By-Section Basis.

Existing Culverts and crossings with site to provide temporary construction access during construction of culverts (typ). All existing crossings to be removed following installation of culverts. Contractor shall submit/detailed schedule of operations to Developer prior to start of construction.

I hereby certify that this plan was prepared under my supervision.
