YOU MUST COMPLETE THE FOLLOWING CHECKLIST, and submit 4 sets of the information with the application. All documents must be pre-sorted into sets, and all plans must be pre-folded down to a size not exceeding 9 inches by 14-1/2 inches. Please include **ONLY** the plan sheets needed. **DO NOT** submit entire sets of construction drawings.

Plans showing the following on site, and in surrounding affected areas:

- () 20. existing natural and man-made features;
- () 21. existing and proposed grades;
- () 22. location of all proposed construction;
- () 23. existing and proposed storm drainage facilities;

- () 24. location and details of proposed erosion and sediment control devices which must meet or exceed **Standards for Soil Erosion and Sediment Control** adopted by the State Soil Conservation Committee;
- () 25. specifications for temporary and permanent stabilization that meet or exceed the above Standards;
- () 26. a relative construction schedule showing the sequence of work, especially as may relate to the installation of control measures;
- () 27. independent soil investigations (borings, test pits, etc.), or copies of site specific data obtained from the Soil Conservation Service;
- () 28. storm drainage calculations and evaluations, especially as may relate to the design of sediment basins, outfalls, and other control measures;
- () 29. If the project required previous approval by the Planning or Zoning Boards, **you must submit a letter stating that all conditions of the approval have been met.** Those conditions are listed in the Board's "Resolution" of approval. Otherwise, this application will be considered premature.

ATTESTATION: This application and the enclosed supporting information and plans are submitted for approval pursuant to the Soil Erosion and Sediment Control Ordinance, Chapter 18A of the Revised Codification of General Ordinances of Piscataway Township, and the New Jersey Soil Erosion and Sediment Control Act, Chapter 251 of the Public Laws of 1975.

I hereby swear that I understand the provisions, and will adhere to the principles and requirements of the above codes, and that the information submitted herein is true and accurate to the best of my knowledge.
